We Are A Global Family

We Are A Glo- bal Fa - mi - ly. We Are A Ma-rist Fa - mi - ly
Nous sommes une Famille Global. Nous sommes une Famille Mariste
Somos Familia Global. Somos Champagnat Global.
Somos Família Global. Somos Champagnat Global.

“

For the vitality and viability of Marist mission and life today, we are called to be a global family. Interdependence, rather than isolation or independence, must be the new normal for us.

We know that plans and strategies are not enough. We are called to personal and collective conversion so that all Marists may become true disciples, and our communities may be beacons of light and the Marian face of the Church in the midst of the world.

Regardless of age, nationality or ability, let us feel that this message is addressed individually to each one of us. We trust in Mary, our Good Mother, who has always done everything among us. She will continue to accompany all of us who bear her name, as we go on pilgrimage together. Our task is urgent, and our aim courageous. God calls us to be Champagnat today.
