# SHARING COMMITMENTS - EVALUATION (Conference room)

- **Plenary sharing.**

- **Evaluation**

## SENDING CELEBRATION (Chapel)

- **Motivation** (Br. Niño)

As we say farewell, let us gather in the spirit of our founder, seeking the blessings of Jesus and Mary, and remembering Marcellin's trust in Providence. Let's embrace this moment, carrying Champagnat's legacy forward with us.

- **Reading of the texts about Father Champagnat and singing after each reading...**

"He soon sent them (the brothers) to the hamlets farthest from the parish to teach the children, and sometimes also the adults, the basics of religion and the first notions of reading. Between 1817 and 1824, he organised a primary school in La Valla and used it simultaneously as a training ground for educators, where the young Brothers carried out their teaching practice"

Marist Educational Mission, n. 13)**

"There is a very beautiful sculpture resting in St. Peter's Basilica. The image of Marcellin Champagnat, who is neither reading a book to his students nor praying with his eyes closed but carrying a boy on his shoulders. The mission of the educator is precisely that: to bear, to carry on his shoulders the lives, the successes, the failures, the desires of young people."

**(Cardinal Jorge Bergoglio - Pope Francis - October, 2008)**

"Our heart beats in tune with Marcellin's passion, expressed today in the words of Brother Seán Sammon, Superior General, to the brothers: "To live and work in the midst of young people; to evangelise primarily through education and sometimes by other means; and to demonstrate a particular concern for poor children and young people, those who live on the margins of society". This is our mission: to help the new generations to discover the face of God and to have life in abundance. In the footsteps of Champagnat, we too must respond to the cry of the Montagnes around us. We cannot see a child without loving him and telling him how much God loves him."

- **Offer of the Champagnat Global Commitments**

Each region's coordinator will present the members' personal commitments at the altar, and also, briefly explains its significance .

**Order:** Africa – America South – Northern Arc – Asia – Europe – Oceania

- **Words of Sending and the Gift of Water and Rock from the Gier**

**Brother Ernesto** will offer farewell words and present us with a meaningful gift, a symbol of our journey that will accompany us in continuing our mission.

(Delivery of the bottle, accompanied by the song "Hermitage Source of Life" in four languages)

**HERMITAGE, WELLSPRING OF LIFE**

I remember You, O Lord; and I hold in my heart,  
The memory of the labors, of the first Brothers.  
The house of Nazareth; the newness of the Word,  
To build a family, fraternity.

I remember You, O Lord; and I hold in my heart,  
The memory of the walls, carved from the solid rock.  
The house of Bethlehem, emergence of new men;  
announcing Your Good News to everyone.

**THANK YOU O LORD FOR YOUR HOUSE,  
THAT ON THIS VALLEY WAS BUILT.  
YOU GAVE IT TO US THIS MISSION IS OURS;  
HERMITAGE, WELLSPRING OF LIFE;  
THANK YOU, O MARY FOR YOUR HOME.**

I remember you, O Lord; and I hold in my heart,  
Mary's abiding presence, and ever-open hands.  
The house of Notre Dame, the recent Hermitage;  
Welcoming the poor, the little ones.

I remember you, O Lord; and I hold in my heart,  
The great gifts of wonders, the murmur of the Gier.  
The Little Brothers' house, the pilgrims of our time;  
To Jesus through Mary, in fidelity.

## Prière d'action de grâce pour le bicentenaire de la maison de Notre-Dame de l'Hermitage

Señor Dios del amor,

Hace 200 años, el Padre Champagnat construyó una casa para albergar un sueño: formar apóstoles dedicados a la educación y evangelización de niños y jóvenes.

Como el hombre prudente del que habla el evangelio, construyó su casa sobre roca sólida y la llamó Nuestra Señora del Hermitage.

While cutting the rock to build the house, he formed his Brothers to be living stones in the construction of your Kingdom.

You blessed the work of his hands; You fulfilled the desire of his heart, and You made him the father of a big family now spread throughout the world.

Hoje voltamo-nos para L'Hermitage, casa de Champagnat, de Francisco e de nossos primeiros Irmãos, e agradecemos por este lar espiritual, fonte de vida, que há dois séculos acolhe, abriga e inspira a diferentes gerações maristas.

Merci, Seigneur, pour l'esprit de l'Hermitage, qui bouge en nous, avec la paix et la solidité des montagnes du Pilat ; avec la liberté et la vigueur des eaux du Gier ; avec l'humilité, la simplicité et la modestie des violettes qui colorent les forêts de la Loire.

Te pedimos que nos hagas constructores de un nuevo Hermitage allí donde nos envíes a vivir nuestra vocación bautismal como religiosos y laicos maristas.

May your Spirit keep our communities and our apostolic works open to the world, united with the causes of the men and women of our time and committed to protect creation – our common home – a precious gift from your hands.

Que as crianças e os jovens encontrem em cada marista um coração que acolhe, braços que protegem, mãos que partilham o pão da fé e da cultura, palavras que fazem sonhar.

Et à toi, Marie, notre Bonne Mère, qui tiens Jésus dans tes bras et qui le présente à ceux qui font le pèlerinage à l'Hermitage, nous te demandons de nous conserver, multiplier et sanctifier. Amen.

- **Closing and Words of Thanks**

**Brother Ben**, the General Council's representative and our link to the Secretariat of Education, will close with his words of farewell and gratitude.
